MAY 19—DREXEL HILL

JUNE 7—PITTSBURGH

JUNE 16—YORK

AUGUST 11—WILKES-BARRE

SEPTEMBER 20—ERIE

SEPTEMBER 22—ALTOONA

AFTER YOU ARRIVE AT SAFETY DAY AND SIGN IN AT THE WELCOME CENTER, FIND THE LOCATE MASTER BOOTH TO REGISTER FOR THE COMPETITION!

The Inaugural Pennsylvania 811 Locate Masters Tournament is set to take place during all Pennsylvania 811 2022 Safety Day events. The competition will test the locators in a skills competition unlike any held before. The competition will feature UTTO Virtual Locate Simulator, providing a novel opportunity for indoor competition with realistic, variable, and highly customizable locate scenarios. The simulator accurately replicates the unique challenges found in the field and its on-the-fly programmability allows for fair competition with equal standards across competitors.

At each Safety Day event, pre-registered attendees will compete against each other to win a prize and be crowned the local 2022 Safety Day Locate Master.

All interested Pennsylvania locate technicians attending Safety Days may compete, but pre-registration is encouraged for each Safety Day event. Space is limited, so please register early!

**WHO IS THE BEST LOCATOR IN THE AREA?**
