# 2027 PA Safety Days

## SAFETY DAY CONFERENCE OVERVIEW

PA Safety Day conferences offer an opportunity to form business relationships with executives from key stakeholder groups including Pennsylvania 811 members – the professionals responsible for reducing damage to underground facilities.

The conferences provide a forum for Pennsylvania stakeholders and local excavation professionals to exchange information, promote protection of critical underground infrastructure, and learn about safe digging practices from professionals.

## ATTENDEES

Stakeholder groups include excavators, designers, public utilities, facility owners, project owners, municipal leaders, sewer and water authorities, public officials, emergency responders, damage prevention associates and other underground excavation professionals.
