Pennsylvania 811

A Privately funded non-profit Pennsylvania Corporation

Our purpose is to prevent damage to underground facilities. To promote safety, we provide an efficient and effective communications network among project owners, designers, excavators and facility owners.

APPLICATIONS FOR SAFE DIGGING

Alleged Violation Report (E) (D) (P) (F)
Report an alleged violation.

Board Member Web Access (Board)
Portal with information for the POCS Board of Directors.

Communities (E) (D) (P) (F)
Social media pages for board, committees, task forces, utility regional coordinating committees, and other damage prevention groups.

Coordinate PA—CPA (E) (D) (P) (F)
For project and project phase collaboration. Work with others throughout your project lifecycle — Plan, Design, and define Complex Projects, hold meetings, and communicate throughout Construction.

Online Ticket Management—OTM (E) (D) (P) (F)
A mobile-ready application to search summary and detail for historical tickets and responses, find locations and tickets nearby on a map, respond to tickets, and post responses.

Facility Owner Billing (F)
Access monthly bills and pay online.

Member Database Verification (F)
Update company information online.

Member Mapping (F)
Draw notification areas, to be applied to ticket maps. Receive fewer transmitted tickets, saving time and money.

Member Mapping - Upload (F)
Electronically upload your GIS data to our maps, approve, and apply changes.

Web Single Address (F) (H)
Quick easy online form to enter tickets for a single property.

Web Ticket Entry—WTE (E) (D) (P) (F)
Mobile-ready application to create tickets and draw your dig site on PA One Call maps. Log in to watch training videos for WTE Basics or the CPA Designer links to get started.
